**Chewstick's 4th Annual Beachfest Emancipation Celebration Fundraiser  
July 30<sup>th</sup> 2009 • 1pm – 6pm • Horseshoe Bay**

## **Beachfest Sports Football / Volleyball / Tennis / Rugby / Netball**

You are invited to come out and support one of the most exciting events of the year, simply by getting a team into the action to compete for great prizes and to support a worthy cause, oh, and of course, bragging rights! Each year we have endeavored to inject even more sporting action into Beachfest, and this year we've upped the ante again by adding 3 new sports to the competition, namely Tennis, Rugby and Netball (yes Netball ; ) There is limited space available in each tournament so sign-up early to make sure you have a place.

### **About Beachfest**

Beachfest is a free, festive event full of live local entertainment including: bands, singers, poets, djs, dancers and more! There are concessions providing food & beverages, as well as sports tournaments, contests and prizes given throughout the day. We have consistently attracted between 2000-3000 people, with a diverse audience of all ages, which last year won the Best of Bermuda 2009 Award for Cultural Event of The Year. The aim of this event is to highlight local culture & history, showcase local talent and provide a safe, unique and fun experience while raising funds for a worthy cause.

### **About The Chewstick Foundation**

Though Chewstick as an organization for positive change in the community is now in it's sixth year; we have only recently become a charity. We believe that more positive influence is needed in the community to counteract increasing drug use, violence, negative and even tragic behavior. We have now become a registered charity in order to; formalize our entity, strengthen our existing initiatives, broaden our outreach into the community and offer more comprehensive programs; all in aid of stemming these problems. To that end we are developing several after school programs, an enhanced prison outreach program, artist development strategies and a creative arts scholarship. Beachfest is our major annual fund raising event which, in the past has enabled us to enhance financial support and community awareness of several charities including: Women's Resource Center, THE Company, and The Menelik Foundation. It is a great honor to inform you that this will be our first year generating the same support for our own initiatives; which has traditionally been supported by the much appreciated goodwill and service of our supporters.
